b. Necessity for increasing the CI Staff, Office of the Deputy Director (Plans).

25X1A

2. The [REDACTED] has not been budgeted for Fiscal Year 1956. It would, therefore, be necessary for the Deputy Director (Intelligence) to supply this amount from his regular budget or to request that the Bureau of the Budget release it from the Contingency Reserve. In any case, approval by the Bureau of the Budget would be necessary [REDACTED]

25X1A

25X1A

25X1A 3. In view of the fact that there are [REDACTED] and [REDACTED] in the CI Staff at this time, the question of whether the Staff should increase its authorization by [REDACTED] positions seems academic. I would recommend that this not be done until the "on duty" strength approaches the number of positions authorized.
